

## DreamCoder for MySQL ver 4.9.5 update

Posted by ptesone - 2009/09/04 09:28

---

Mentat Technologies announces the new minor update of DreamCoder for MySQL version 4.9.5.0.

This version includes:

- \* Enhanced Lov Viewer
- \* Enhanced Query Builder
- \* Enhanced syntax highlight
- \* Fixed bug with table data export to clipboard
- \* Minor improvements and bugfixes

You can download DreamCoder for MySQL at:

<http://www.sqldeveloper.net/database-tools/products/download-center.html>

Hope you will enjoy working with our software!

Sincerely,

Mentat Technologies
