

Dreamcoder hangs on unhandled run-time error

Posted by Marcus2 - 2010/05/17 14:31

Using

MySQL 5.1.42-community

Microsoft Windows Vista Home-Basic SP2

DreamCode for MySQL 5.2.2.0 free edition

If I coding a function containg an unproprer assignment like

```
DECLARE iMyValue int;
```

```
DECLARE sMyDescr varchar(254);
```

```
SET sMyDescr = 'Foo';
```

```
SET iMyValue = sMyDescr; /*
```

```
=====
```
